

# MORTGAGE PROTECTION

## Protect your biggest asset, your home

If you were no longer around, how long would your family be able to continue paying the mortgage?

### Benefits of Mortgage Protection:

- ❖ Guaranteed payment to your family if you are no longer around
- ❖ Your family will receive this money tax-free
- ❖ Creditors cannot claim this payment from your family
- ❖ Family cannot be taken to court and/or sued for this payment
- ❖ Peace of mind for your loved ones

Your loved ones can rest easier at night knowing that during a difficult time they won't have to worry about losing their home. They can afford to keep paying the mortgage.
